VÄLKOMMEN TILL WFI

Vi skapar arbetsstationslösningar för att göra ert arbete mer effektivt!

WFI tillhandahåller ett koncept av arbetsplatsinredning med fokus på arbetsstationer för industri och lager. WFI finns i Gnosjö; här finns också vårt sortiment med över 1000 artiklar i lager. Det är också här all utveckling sker och större delen av våra produkter produceras.

Förutom sortimentet på lager kan vi även erbjuda kundanpassade lösningar, allt för att skapa en lösning med fokus på effektivitet i ert arbete. Hittar ni inte vad ni söker i vårt standardsortiment, berätta vad ni söker så ser vi till att lösa en arbetsstation som passar era behov.

Ni handlar våra produkter genom våra återförsäljare som finns över hela världen. Kontakta oss om ni behöver hjälp att hitta ÅF.

WELCOME TO WFI

We create workstation solutions to make your work more efficient!

WFI provides a workplace design concept with focus on industrial and warehouse workstations. WFI is located in Gnosjö, as is our range of more than 1,000 products in stock. This is also where all development takes place and where most of our products are manufactured.

In addition to our inventory, we offer customised solutions that enable you to work with the utmost efficiency.

You can buy our products through any of our worldwide retailers. Please contact us if you need help finding your local retailer.

Worktop 40 mm
Bordsskiva 40 mm

Manually height adjustable between 700 and 970 mm.
Benbockarna justeras manuellt, höjd 700 till 970 mm.

Manual Workbenches

Can be used without the rear frame, but rear frame increases stability and is needed to mount accessories.

Benbockarna går att använda utan påbyggnadsram, men den ökar stabiliteten och är nödvändig vid komplettering av påbyggnadsdetaljer.
