for safe storage

PRODUCT DATA SHEET

Cross connector complete for PE surface protection elements HD

Order no.: 10723

PRODUCT DESCRIPTION

- Connect several HD PE sumps for small containers to form a flexible ground protection system.
- available with general construction inspection certification (made from high-quality, highly chemical-resistant PE) or as type RG not certified (made from high-quality polyethylene regranulate)
- connecting components (accessories) permit the lining of surfaces of any size
- sturdy PE access ramp with integral retaining bolts for docking onto the grating
- gentle ramp gradient for easy loading
- non-slip grating and ramp for greater workplace safety
