CEMO
for safe storage

PRODUCT DATA SHEET

Hazardous materials shelve for small containers, 30 L, black

Order no.: 8091

PRODUCT DESCRIPTION

- comes with two spill pallets with general construction inspection certification
- shelf load per level: up to 200 kg
- height-adjustable storage levels at 25 mm increments
- storage capacity can be increased by adding expansion units to the base unit
- expansion units are supplied without a frame on one side and can only be used in conjunction with the base unit
- additional wall-mounting bracket can be used if needed (not strictly necessary)
- the supplied push-fit elements can be put together quickly without the need for tools, saving you time
